

Give a pool service as a gift!
(Father's Day, Birthdays, etc.)

We also offer referral discounts.

Pool People is a swimming pool service company located in Lynnfield, MA since our inception in 2005. We service the North Shore and surrounding towns. We have remained a small customer service oriented business enabling us to provide personalized service tailored to you and your pool's everyday needs.

Our technicians are trained and certified allowing you to be assured that your pool is in the right hands. Our goal is to ensure that you and your family spend as much time as possible in and beside your pool, something that may be hindered by a short season and necessary pool upkeep. A fully enjoyable, hassle-free pool season is just ahead when you choose Pool People.

Here is what we can do for you:

Full Service Openings for Solid and Safety Covers

- Remove, hose down, and fold up cover for storage on customers property
- Remove all plugs and gizmos
- Install directionals and baskets
- Install ladders and handrails
- Startup motor and note any of our concerns (add DE if applicable)
- Apply all applicable tests to your pool's/spa's water

Partial Opening (you remove cover)

- Remove all plugs and gizmos
- Install directionals and baskets
- Install ladders and handrails
- Startup motor and note any of our concerns (add DE if applicable)
- Apply all applicable tests to your pool's/spa's water

Additional Pool Opening Services

- Spas, waterfalls, slides, and in-floor cleaning systems
- Follow-up visits (*billed per hour*)
 - Vacuum pool using our portable system
 - Back wash or take apart and hose down filter elements
 - Skim and brush pool
 - Empty baskets
 - Apply all applicable tests to your pool's/spa's water

Full Service Closing for Safety Covers

- Remove baskets and directionals
- Remove ladders and handrails
- Take apart, clean, and reassemble filter (*discount if you have a sand filter*)
- Blow out all lines, install plugs, and install skimmer gizmos
- Winterize equipment
- Skim pool
- Cover pool with your safety cover

Partial Closing (you install cover)

- Remove baskets and directionals
- Remove ladders and handrails
- Blow out all lines, install plugs, and install skimmer gizmos
- Winterize equipment

Additional Pool Closing Services

- Pools with solid covers and water bags (*we will not cover any vinyl lined pool that is normally secured with rocks, cinder blocks, etc.*)
- Acid washing of filters elements and storage
- Spas, waterfalls, slides, and in-floor cleaning systems winterizing
- Vacuum light debris in a clear pool

Note:

1. There is an additional per hour charge for solid covers that have not been drained and cleared before opening.
2. For openings, water level in your pool must be at middle of skimmer.
3. For all services, chemicals, and unanticipated repairs are not included in quoted price.
